

## METALWORK 2022 Volunteer Opportunities

Our first opportunities will be in June when jurying takes place. Those tasks and times are listed below. In early August, we will send out volunteer positions for August and October (before and after the show) to help with set up and tear down.

Signing up for Saturday, June 4, will give you the chance to see everyone's submissions and to help set up the work for jurying. If you volunteer for Sunday, June 5, you will meet the jurors as you set up or tear down—a rare opportunity! Friday, June 15, will bring you face-to-face with other members, so you will get to know your colleagues as you prepare for applicants to pick-up their works after pieces have been photographed.

**To sign-up, text or call Tyler Kulenguski at (571) 356-4845. (Please do not email.)**

Meet at Cyd Rowley's studio for each of these days: 10449 Metropolitan Ave, Kensington, MD 20895.
